**Farmingville, NY** - On September 21, Councilwoman Jane Bonner joined with the local chapter of the Axemen Motorcycle Club for a fundraiser to raise money for special needs children of firefighters and members of their own organization. This chapter is one of 24 throughout the United States that raise money for their local burn camps, Flight of Life and kids with special needs. The club, whose members are firefighters, is based out of New York City, and covers the five boroughs, Suffolk and Nassau counties on Long Island.

"I'm happy to do all I can to help the Axemen," said Councilwoman Bonner. "Their commitment to improving the lives of children in need sets a great example for all of us to follow."
